## Home and Garden Gala

benefiting Habitat for Humanity of Iredell County & the Iredell Arts Council

### THE EVENT OF THE YEAR IS BACK AND BETTER THAN EVER!

Habitat for Humanity of Iredell County and the Iredell Arts Council are joining forces for the third year to bring you *Roots & Wings*. We are excited to expand the event from the original birdhouse gala to a full home and garden event! Why limit art and creativity?

This wonderful event will still have the things everyone has come to love - live and silent auctions, music, food and spirits, and fantastic artists like you! Last year brought unique and highly coveted works of art and garden items - birdhouses, paintings, clay pieces, metal sculptures, plant designs, hand painted furniture and so much more.

Please join us by submitting a piece. As an artist we are certain you will like the fact there are no limitations placed on your piece. We want you to be free to create and help show the community your unparalleled talent!
